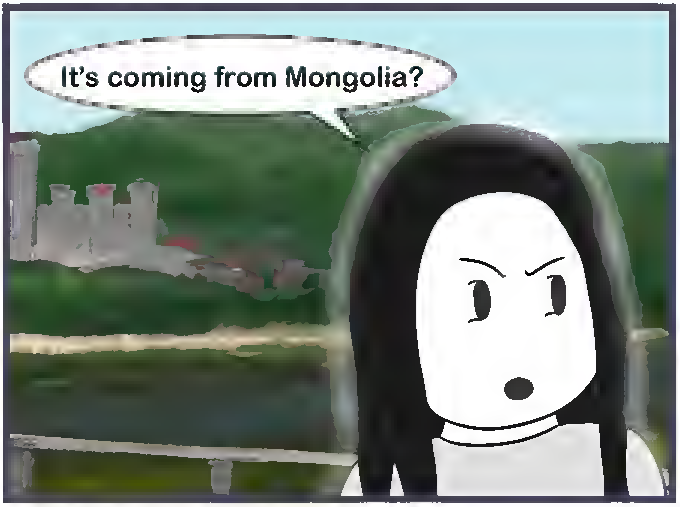
NICHOLALALA

There is a huge dust storm coming from Mongolia tomorrow.

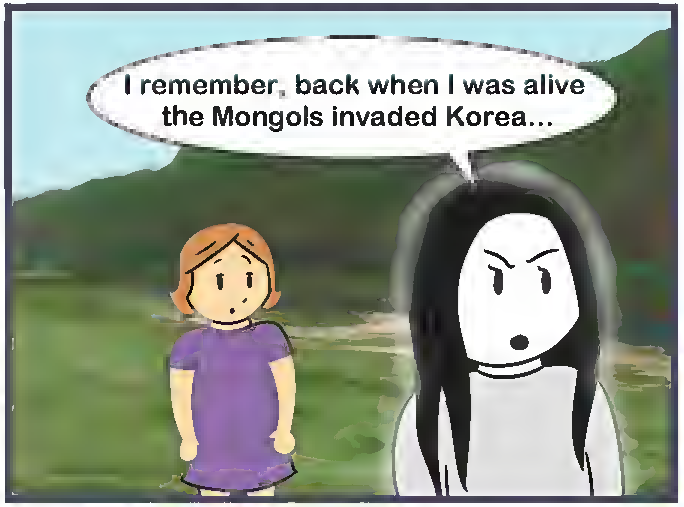
So need to be careful, the air will be bad.

Well I guess it doesn't matter to you because you are a ghost



It's coming from Mongolia?

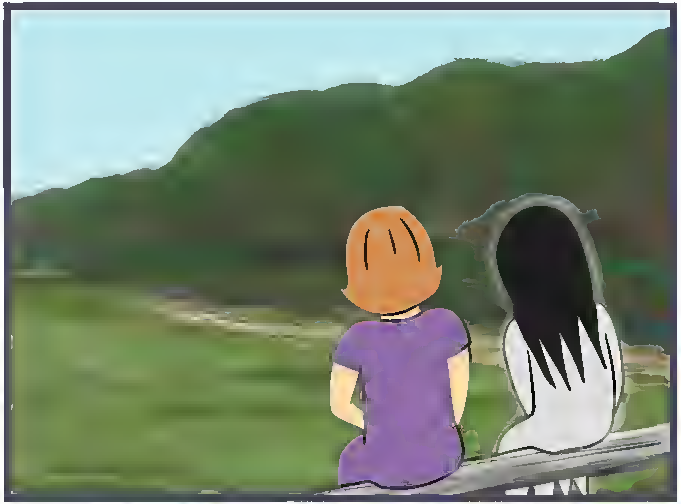
Always problems coming from there.



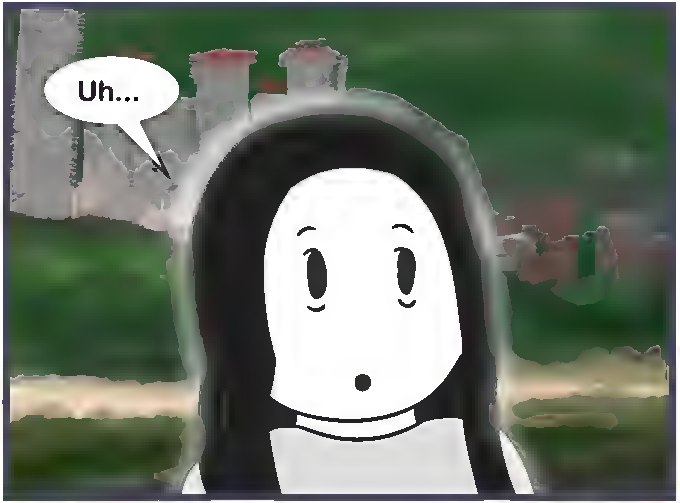
I remember, back when I was alive the Mongols invaded Korea...

They burned all the land to try and starve us...
They killed everyone who tried to resist them

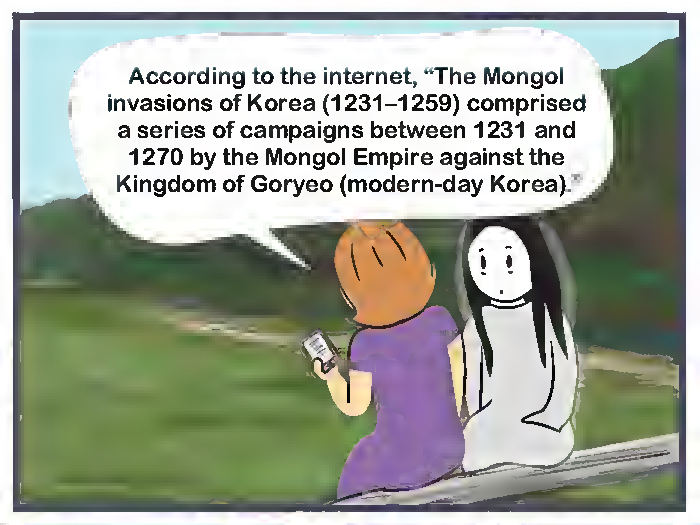
Oh that's so sad... I'm sorry.



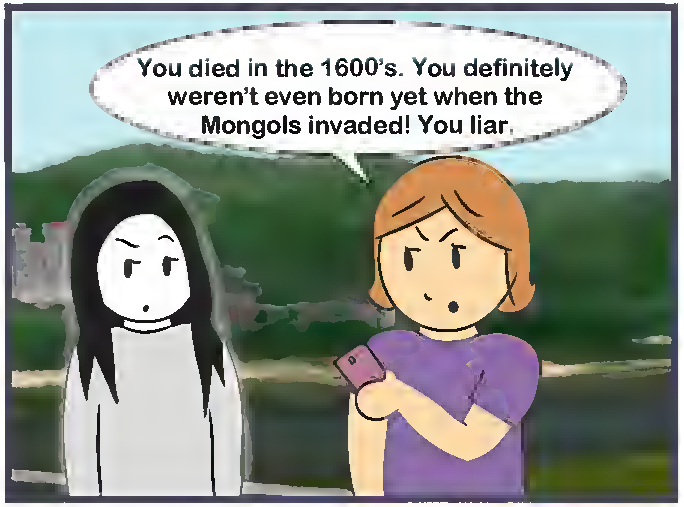
Wait a minute. When were the Mongol invasions?



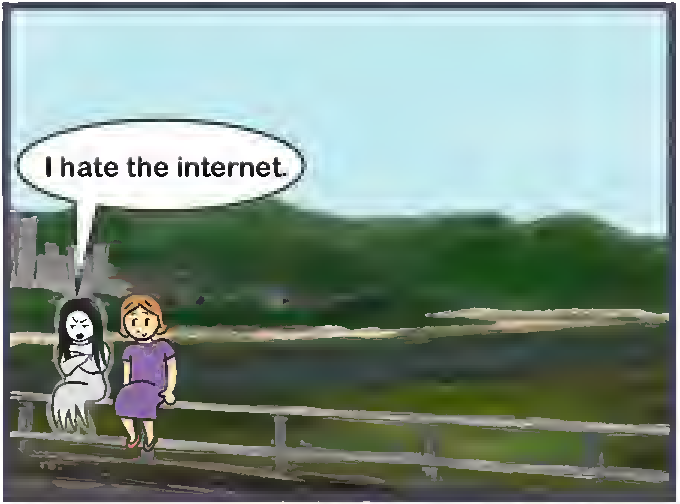
Uh...



According to the internet, "The Mongol invasions of Korea (1231–1259) comprised a series of campaigns between 1231 and 1270 by the Mongol Empire against the Kingdom of Goryeo (modern-day Korea)."



You died in the 1600's. You definitely weren't even born yet when the Mongols invaded! You liar.



I hate the internet.
